No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,
A. BONAR LAW.

The Governor-General,
His Royal Highness
The Duke of Connaught and of Strathearn, K.G.,
etc., etc.

BRITISH PROPERTY IN ENEMY
COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

LIEUTENANT-GOVERNOR.

“His Honour the Lieutenant Governor of the Province of BC, Victoria BC.

“I beg to inform you that the British Red Cross Society and the Order of St John, in view of the great demands upon their resources both in France and the Near East, have decided to make an appeal throughout the Empire by street and other collections upon the twenty first day of October next, the money received from this appeal will be devoted entirely to relieving the sufferings of our wounded soldiers and sailors from home and overseas at the various seats of war. From all parts of the Kings Dominions we have already received generous assistance in our work, but with the increase of British and Overseas Forces at the Front there is a corresponding increase in our expenditure and we shall be truly grateful to you if you will help us by organizing an appeal, and sending the proceeds to us for the objects which I have named. I shall be greatly obliged if you will kindly communicate the foregoing to your Government.

“TO MY PEOPLE:

“At this grave moment in the struggle between my people and a highly organized enemy who has transgressed the laws of Nations and changed the Ordinance that binds civilized Europe together. I appeal to you. I rejoice in my Empire's effort and I feel pride in the voluntary response from my subjects all over the world who have sacrificed home, fortune, and life itself in order that another may inherit the free Empire which their ancestors and mine have built. I ask you to make good these sacrifices. The end is not in sight. More men and yet more are wanted to keep my armies in the field and through them to secure victory and enduring peace. In ancient days the darkest moment has ever produced in men of our race the sternest resolve. I ask you men of all classes to come forward voluntarily and take your share in the fight. In freely responding to my appeal you will be giving your support to our brothers who for long months have nobly upheld Britain's past traditions and the glory of her arms. GEORGE R.I.”

VICTORIA, B.C., 14th July, 1915.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the “Court Rules of Practice Act” and all other powers thereunto enabling, His Honour the Lieutenant-Governor of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, or Turkish subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-

Hungarian, or Turkish subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, or Turkey, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, or Turkish subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subjects, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, or Turkish subjects resident in this Province at the commencement of the war and during the war.

And that the Order in Council herein, No. 553, dated the 15th May, 1915, be rescinded.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[2140.]
AT THE GOVERNMENT HOUSE AT OTTAWA.
Friday, the 17th day of September, 1915.
PRESENT:
THE DEPUTY GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the present regulations for the leasing and administration of lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand or any building stone, the property of the Crown, known as the quarrying regulations as extended and made to apply to lands contained in the forest reserves and parks as constituted by the "Dominion Forest Reserves and Parks Act" are not sufficient for the full protection of all parks' interests;

And whereas, in disposing of quarrying lands within the parks, it is desirable that provision be made to prohibit the leasing of such areas as will seriously interfere with parks purposes and to provide for the operating of quarries so as to cause as little interference as possible with parks' interests,—

Therefore the Governor-General in Council, under the authority of the "Forest Reserves and Parks Act," is pleased to order as follows:—

The Order in Council dated 6th June, 1911, which extended the quarrying regulations established by Order in Council dated 13th May, 1910, and applied them to the Dominion forest reserves and parks, and the Order in Council dated 30th

April, 1913, which extended the elay regulations as established by Order in Council dated 21st November, 1912, and applied them to Dominion forest reserves and parks, are hereby reseinded so far as they affect Dominion parks; and—

The regulations for the administration and leasing of lands containing limestone, granite, slate, marble, gypsum, marl, gravel, sand or any building stone, the property to the Crown, as approved by Order in Council of 13th May, 1910, re-established by Order in Council of 16th August, 1911, and amended by Orders in Council dated 21st November, 1912, and 19th March, 1913, so as to include the leasing of Dominion lands containing deposits of clay, are hereby established and made to apply to all lands within Dominion parks, except Buffalo Park, Elk Island Park, or any other park area established solely as an animal enclosure or bird sanctuary, subject to the restrictions herewith attached.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

1. No lease for quarrying purposes shall be granted for any area within a Dominion park until the application has received the written approval of the Commissioner of Dominion Parks, or other official appointed by him, and unless he, or other official appointed by him, is satisfied that the granting of such lease will not mar the beauty of the park or unduly interfere with the purposes for which it was established.

2. The area leased for quarrying purposes hereinafter referred to as the leasehold shall include only such surface rights as shall be specified in writing by the Superintendent of the park concerned, hereinafter called the "Superintendent," as being required for active quarrying operations, and any surface rights over any portion of a leasehold which are not thus specified may be disposed of by the Minister of the Interior, hereinafter called the "Minister," for any purposes which, in the interests of such park, may be considered advisable.

3. The Minister may at any time resume possession of any portion or portions of the leasehold should he deem it necessary or advisable in connection with the establishment and use of railway, transmission, telephone or telegraph lines, reservoirs, water-power sites or any other works of a public or semi-public character, and an abatement will be made in the yearly rent at the rate of one dollar (\$1) for every acre, possession of which shall have been so resumed and the lessee shall have no claim for damages in any way resulting from such resumption.

4. No operation shall be commenced or proceeded with on any quarrying claim within any park until the Superintendent has been first advised in writing by the lessee, and until the Superintendent or other officer of the Department of the Interior acting in the capacity of such Superintendent shall have given his written approval to the lessee of the work to be carried on. •

5. The said lands shall be used for the purposes of the said quarrying operations and for no other purpose except with the consent of the Minister.

6. All earth, stone, refuse, or other objectionable material which may accumulate through the operations of the quarry shall be disposed of by the lessee in a manner satisfactory to the Superintendent and in accordance with his instructions.

7. No nuisance or disorder shall be permitted on the leasehold, and the land and works shall be kept in a clean and sanitary condition to the satisfaction of the Minister.

8. No rubbish or other objectionable material shall be removed from the leasehold and deposited in the park without written permission being first received from the Superintendent of such park.

9. It shall be lawful for the Minister or any person acting under his authority to enter upon the said leasehold and examine the condition thereof, at all reasonable times during the term of the lease.

10. Such royalty as may from time to time be fixed by the Governor in Council shall be paid by the lessee to the Minister or such officer as may be appointed to receive the same.

11. Any person or persons duly authorized by the Minister may quarry or carry away at any time from the leasehold any stone or other material required for park purposes without compensation to the lessee, but in so doing no unnecessary interference shall be caused to the carrying-on of the work of the lessee, and the lessee shall not be compelled to pay any royalty on such material so removed from the leasehold for park purposes.

12. The lessee shall not cut or interfere with any timber, trees, or other vegetation on the said lands except to such an extent as in the judgment of the Superintendent is necessary to clear an area sufficient for the operation of the quarry, and shall not impair the natural beauty of the park except to such an extent as in the judgment of the Superintendent is necessary for such quarrying operations.

13. The Superintendent may grant a permit to lessee to clear off timber and other vegetation from area sufficient for the operation of the quarry upon payment of timber dues as prescribed in the regulations for the removal of timber in Dominion parks.

14. A proportionate share, as the Minister may decide, of the cost of fire and game protection in the vicinity of the leasehold shall be paid by the lessee.

15. The leasehold and the works and structures thereon, shall be maintained by the lessee in a manner satisfactory to the Superintendent of the park, and if the quarrying operations terminate or cease through any cause whatsoever at any time, the lessee, at the option of the Minister, shall remove or destroy without delay the buildings and other works placed by him on the leasehold, and shall deliver the leasehold to the possession of the Minister in an orderly and safe condition to the satisfaction of the Minister, and should the lessee fail to do this upon receipt of written instructions from the Minister, such refusal shall be accepted as a forfeiture of all rights or claims to the buildings or works and the same may be disposed of by the Minister in such a manner as he considers advisable, and in the case of such disposal by the Minister the lessee shall have no right or claim for damages resulting therefrom.

16. The sites of all buildings, structures, and shipping appurtenances to be erected on the said lands under this leasehold shall be subject to the approval of the Superintendent.

17. No building or buildings shall be erected on the leasehold without the Superintendent being first advised in writing, or before the Superintendent, or an officer of the department appointed by him, shall have given his written approval to the lessee of the situation, style, and design of the proposed building or buildings; and should the Minister at any subsequent time deem it wise or expedient for park interests that the said building or buildings be destroyed, or removed to some other location, or that the style or design of the building or buildings be changed, such destruction or removal or change shall be performed by and at the expense of the lessee with all possible dispatch.

18. Proper and sufficient provision, to the satisfaction of the Superintendent, for the protection of the public in connection with blasting or other operations of a dangerous or offensive character, which may be necessary or desirable in connection with the operations of the lessee, shall be made by the lessee, who shall be responsible for all claims or actions for damages to any person, persons, or property, which may arise in any manner through his operations.

19. The lessee shall take such action at any time and in any manner as the Minister may direct or require to improve the conditions of the leasehold.

20. Such copies of the park regulations or general instructions regarding parks shall be posted and maintained by the lessee in a conspicuous position on the leasehold, as the Minister may direct from time to time.

21. The lessee shall comply with all the requirements of the Superintendent in respect to water supply, sewerage and sanitation and any other particular so as to protect public health and property.

22. The water in any lake, river, stream, or any body of water which may be on, or adjacent to,

or flow through, or near any leasehold shall not be polluted or contaminated by the lessee or his employees.

23. The Minister may build any roads or trails through any leasehold, and all roads and trails which may cross any leasehold shall be kept open and in good repair by the lessee, and the public shall have free use of and access to all such roads and trails.

24. If any of the regulations are broken or violated by the lessee, the Minister may summarily cancel the lease or may stop all operations on the leasehold for such period or periods as he may direct, and the lessee shall have no claim for damages arising from any such cancellation of the lease or such suspension of operations.

25. Any lease made in pursuance of these regulations, and any renewal thereof, shall be subject to all regulations for the control and management of Dominion parks now in force or which may hereafter be made from time to time by the Governor in Council. oc14

6. Every person who makes or starts a fire in the open air for cooking or camping purposes shall—

- (a.) Clear away all brushwood, dry leaves, and other combustible material from a space having a radius of at least ten feet in the centre of which the fire shall be kindled;

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by an Order in Council dated the 6th June, 1911, the regulations for the disposal of quartz mining claims on Dominion lands, established by Order in Council dated the 13th of August, 1908, were extended and made to apply to lands within the forest reserves and parks set apart by the "Dominion Forest Reserves and Parks Act":
